FAB-Boo-Lous Practice Challenge

We wanted to thank all of you for making this new year awesome! We are so proud of all of our students. We know that you have all learned a lot already this year, but we want you to know that we know that you can do anything that you want to do! Practice is KEY to success! We are starting our first practice challenge this week which will help us get ready for our first competition on November 6th. All novice, beginning, and intermediate dancers will be bringing home a new practice chart today. All advance, champ, and pro will continue to use their normal practice charts to earn raffle tickets, but we will keep track of who is practicing so we know who can participate in our party on November 1st. If you need more practice charts let us know and we can email them to you or give them to you in class.

Missed Classes

We know that there are times that you will need to miss classes. It is important that you learn what was taught when you miss. We will do our best to post video's each week of what we've learned on the Band groups but if you haven't heard from us please don't hesitate to ask for a video. Thank you for all your hard work!

Dicken's Festival Christmas Performance

It's crazy to think about, but our first performance will be here before we know it! We are excited to be a part of Dicken's Festival again and hope you are too. Be sure to plan on [Saturday, November 20, 2021](#). We are scheduled to perform at 10:15am which means we will need to arrive by 9:15am. The festival will be held at the Utah State Fair Grounds and we will perform on the Queen Victoria Stage. We will send out more details soon.

Friday Practice and All Around Solo Critique 10/22/21

Friday Practice for Novice,
Beginning, and intermediate:

5:00 PM Novice, Beginning, & intermediate technique
5:45 PM Extra Team Practice:
Euphoria (novice)
Velocity (intermediate)

Our advance, champ, and pro students will be having a critique for their All Around Solos on Friday, October 22nd. An All Around Solo representative will be coming to our studio to watch our students to make sure we are executing the all around solos correctly. All advance, champ, and pro students should attend this practice. The **cost is \$15 per student.** We charge extra for this practice because we have an outside instructor coming to teach our students. Be sure to know your solos before this practice so you can be critiqued.

5:00 PM ADV All Around solo Critique
6:00 PM Champ All Around Solo Critique
7:00 PM Pro All Around Solo Critique
8:00 PM Pro Practice

We need everyone who is planning on attending their All Around Solo Critiques to sign up [here](#) so we can give a head count to the instructor.

AutumnFest!! NOVEMBER 6th

Autumnfest will be held at the Rose Wagner Theater
138 West 300 South,
Salt Lake City, UT 84101

This competition is for all of our beginning, intermediate, advance, champ, and pro students to compete their All Around Solos. It really is a great competition and a great way to make sure our students are working hard on learning the All Around Solos. The schedule for the competition will be posted online by October 22nd.

Anyone who wants to compete freestyle, a cappella, or duets at Autumnfest needs to sign up on the [google doc](#) ASAP.

**REGISTRATION IS DUE
OCT 8TH!**

Studio Dress Code

Please have your children dressed in black leggings or capris and a black or gray t-shirt with short or long sleeves, but no tank tops. They may also wear any studio shirts they have. Boys may wear black sweats or basketball shorts. Having this dress code will make it easier for us to clean the routines and get a closer idea of what the dances will look like without having individuals standing out with bright colors. If they are coming right from school please bring practice clothes to change into.

Music?

If anyone would like a copy of their music to practice with at home please e-mail Kandice at kandcfab5studio@gmail.com and let her know. Be sure to include your child's name and what class they are in. If you want to practice to slower music you will need to download QuickTime for free or you can get the "Amazing slow downer" for an iPod or iPad. There are other apps that can slow your music down as well so just look for them. Let us know if you have any questions.

NEW Studio T-shirts and Uniforms

We will hopefully have our sample shirts and other apparel to try on soon. Orders will be done online this year so you can use your phone or other device to place your orders. These make great Christmas gifts too! All students are required to purchase a performance t-shirt as part of their uniform for the season. There are also a lot of fun optional attire this year.
